The initial directors shall serve ten (10) year terms. In the event of the death or resignation of any initial director prior to the expiration of his or her term, the vacancy shall be filled by an appointment of the remaining directors. After the expiration of the terms of the initial directors, elections shall be held to fill each of the three (3) seats, which shall have staggered terms of three, four (4) and five (5) years, respectively. Upon the expiration of each term of these initially elected directors, elections shall be held to fill the expired position, which shall thereafter be for a term of five (5) years. 4. The Board of Directors of the Association shall have the authority to promulgate such rules and regulations and amendments thereto regarding the use of the common properties and amenities as it from time to time deems appropriate. Additionally, the Board reserves the right to make such common areas and amenities available to nonresidents by membership subject to such terms and conditions as the Board may deem appropriate.

SECTION V

GENERAL AND SPECIAL ASSESSMENTS FOR ASSOCIATION

1. By acceptance of the deed or other instrument of conveyance for his or her lot within the subdivision, each lot owner shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for operating expenses incurred by the Association and for maintenance and care of the common properties. Such assessments shall be fixed, established, and collected from time to time as provided in this Declaration. The annual and special assessments, together with such interest thereon and costs of collection as provided below, shall be a continuing lien on the property affected and shall also be a personal obligation of the owner of such property from the date when the assessment is due and payable until paid in full. Such personal obligation shall not pass to successors in title to the affected property unless expressly assumed by such successors. Unless changed by a majority vote of the lot owners casting votes, the annual assessment for any lot in the Subdivision shall be that amount last approved by the Board on the question of annual assessment. On vote of the Board of Directors of the Association in the manner set forth in the Articles of Incorporation and By-Laws of the Association, the Association may levy, in addition to annual assessments, a special assessment or assessments from time to time for the purpose of defraying, in whole or in part, the cost of reconstruction, repair, or replacement of the landscaping and signage on the common properties in the Subdivision, as well as any common amenity owned by the Association, including fixtures and appurtenances related thereto. The Board of Directors of the association must approve any special assessments or change in annual assessments.

Failure of the Association to levy an assessment or charge for any one year shall not affect the right of the Association to issue and collect assessments in future years. Failure to deliver or levy an assessment due to lack of an address for the owner of any particular lot within the Subdivision or for any other reason, shall not discharge the obligation or of any such owner from paying such assessment, and it shall be the obligation of any such owner to notify the Association of such owner's current address.
3. Any general or special assessment levied as set forth in this Declaration shall become a lien on the affected real estate as soon as such assessment is due and payable as set forth above. In the event any owner fails to pay the assessment when due, then the assessment shall bear interest at the maximum legal rate permitted by the State of Arkansas on the date when such assessment is due and shall continue to accrue at that rate, until it is paid in full. Forty-five (45) days after the date of any such assessment has been fixed and levied, the assessment, if not paid, shall become delinquent and the payment of both principal and interest may be enforced as in the case of a laborer's lien on the affected real estate, and a notice of such lien may be filed with the County Clerk of Benton County, Arkansas, and a venue shall be laid in the Chancery Court of Benton County, Arkansas. Any such lien shall continue for a period of five (5) years from the date of delinquency and no longer, unless within such time period legal proceedings shall be instituted to collect such assessments, in which event, the lien shall continue until the termination of the execution of the judgment establishing the same. In the event legal proceedings are commenced to collect any such assessment, or if the services of any attorney are retained by the

Association in connection therewith, the non-paying owner or owners shall be obligated to pay all costs incurred, plus reasonable attorney fees, which costs and fees shall become a portion of the lien and may be foreclosed on in the same manner as the assessment as provided above.

4. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment, and welfare of the residents of the Subdivision, and, in particular, for the improvement and maintenance of property, service, and facilities devoted to the above-state purpose and related to the use and enjoyment of the common properties and of the homes situated in the Subdivision. Without limiting the generality of the foregoing statement of purpose, such assessments shall be applied by the Association to the payment of the costs of the following:
